Inner Mongolia Autonomous Region Rare Earth Industry Association

Visiting China's Rare Earth Hub

Proudly Invited Inner Mongolia Autonomous Region Rare Earth Industry Association

2024 Rare Earth Roadshow

A Rare Earth Industry "Meet & Greet"
on 30 ~ 31 August 2024

Baotou, Inner Mongolia, is China's Rare Earth Hub. If you haven't visited Baotou, or connected with local industry professionals since 2019, then this is a RARE opportunity to engage with key midstream and downstream players in the Chinese Rare Earth industry.

Connect with both established and emerging companies in the current market.

Gloria has extensive experience in the Australian and Chinese rare earth industries and joint venture operations. She will accompany you to gather the latest market information and meet local industry players. SEIZE THE OPPORTUNITY AND SIGN UP NOW!

Trip Agenda:

- Thursday 29 August - Travel Day
- Friday 30 August - Rare Earth Seminar
 - Presentation of Australian Projects
 - Introduction on Chinese Rare Earth Market
 - Private Meetings
- Saturday 31 August - Site Visits
 - Tour of High-Tech Zone
 - Visit to Local Plants
- Sunday 1 September - Return to Australia

Services

- Commercial translation for company and project documents (flyers, PowerPoints, etc.)
- Onsite interpretation services during presentations
- Facilitation of site visit, including pre-booking with the local organisations & logistics
- Arranging and conducting commercial meetings with interpretation services
- 3-nights hotel accommodation at the conference hotel
- All ground transportation (excluding airport transfer)
- International & domestic travel booking assistance
